Noritz Commercial Water Heater System (CWHs) is a pre-fabricated racking system that can be used in flat rooftop or mechanical room applications for commercial multi-systems available in either wall mount or floor mount configurations.

For the wall mounted configurations, the CWHs is available for 2 or 3 Noritz tankless water heaters. For the floor mount option, the CWHs is available for 2, 3, 4, 5, or 6 Noritz tankless water heater.

The CWHs provides a time and labor saving solution when installing multiple Noritz tankless water heaters

### FLOOR MOUNT RACK

399,800 Btuh High-Efficient Commercial Water Heater System				2 Unit Floor Mount (Back to Back)	Configuration	Illustration

6	CWHS506	CDV	LP	4 Unit Floor Mount (Back to Back)		
	CWHS606	CDV	NG			
599,700 Btuh High-Efficient Commercial Water Heater System				3 Unit Floor Mount (Inline)	Configuration	Illustration
Conf. #	System Number	Vent Type	Gas Type			
7	CWHS507	CDV	LP	3 Unit Floor Mount (Inline)		
	CWHS607	CDV	NG			
999,500 Btuh High-Efficient Commercial Water Heater System				5 Unit Floor Mount (Back to Back)	Configuration	Illustration
Conf. #	System Number	Vent Type	Gas Type			
8	CWHS508	CDV	LP	5 Unit Floor Mount (Back to Back)		
	CWHS608	CDV	NG			
1,199,400 Btuh High-Efficient Commercial Water Heater System				6 Unit Floor Mount (Back to Back)	Configuration	Illustration
Conf. #	System Number	Vent Type	Gas Type			
9	CWHS509	CDV	LP	6 Unit Floor Mount (Back to Back)		
	CWHS609	CDV	NG			

- Manufactured with highly corrosion-resistant aluminum that can withstand extreme environments

- Both wall and floor mount design are available for easy labor installations

- All gas and water supplies are properly pre-sized for optimum performance with isolation valves & prv for each unit

- Remote controller and system controller are pre-installed for monitoring and controlling up to 6 units

- Convertible to outdoor with outdoor vent cap (VC-6)

APPLICABLE FOR USE WITH NCC199CDV

Example: CWHS609  
(6 Unit Floor Mount, Back to Back)

Available  
February 12,  
2018!

○ 2-Week Lead Time Required  
○ Additional freight charge of \$350 applies to all systems
